Apartment for renovation in Chamberí

Strategically located, residents enjoy easy access to public transport, essential services and a vibrant cultural and architectural offering, ensuring high demand and appreciation potential.

The building features a wide range of luxury services, including a swimming pool, gym, sauna and 24-hour doorman, as well as its own garage and storage room. The property, equipped with air conditioning, individual heating and a customizable transformation project, combines modern comfort with a quiet residential environment, ideal for families and professionals.

Apartment is sold with demolished interior, proposed renovation project, additional 200,000 Euros
